

Concerned about **FOOD SAFETY?**

**CLEAN YOUR PRODUCE WITH A SAFER TO USE,
MORE NATURAL FRUIT & VEGETABLE WASH!**

INTRODUCING NEW FIT ANTIBACTERIAL PRODUCE WASH!

- Kills harmful bacteria such as E. Coli, Salmonella sp., Staphylococcus aureus, and Listeria that have been associated with food-borne illness, and is recommended for use on cut, chopped, sliced and other processed produce.
- Made from 100% Natural and everyday food ingredients, including citric acid and grapefruit oil. Contains No Chlorine!
- Cleans produce better, by removing significantly more dirt, soil, and people-handling residues than chlorine based cleaners.
- Rinses away clean, and unlike chlorine, leaves no aftertaste or smell.
- Safer for employees to use – no need for protective eye goggles and gloves.
- Easy to use – FIT is available in convenient single-dosing powder pouches and in liquid forms.
- Inexpensive - Less than a penny a plate!

**Make FIT an important part of your Food Safety Program/HACCP Plan.
And make your produce FIT for your customers!**

Made from all natural and everyday food ingredients, including citric acid and grapefruit oil.

Fit Antibacterial Produce Wash kills harmful bacteria such as E. Coli, Salmonella sp., Staphylococcus aureus, and Listeria that have been associated with food-borne illness, and is recommended for use on cut, chopped, sliced and other processed produce.

Usage/Dilution Instructions: 1. **Powder Fit – dissolve** 100g (1 pouch or 1 scoop) of product for each 5 gallons/20 liters of water, or 1 heaping TBSP per 1 gallon/4 liters of water. **Liquid Fit – dilute** 1 oz. of liquid Fit per 1 gallon of water. 2. **Soak** your fruits and/or vegetables which you have prepared (cut, chopped, peeled, etc.). Scrub if necessary and then rinse with water as usual. Powder dilution is 5 g/l for all sizes. Liquid is 1 oz/gallon.

Fit Antibacterial Produce Wash mixed with municipal water is completely safe to use. Fit Antibacterial Produce Wash has been designed to fully replace chlorine in the washing process.

NEVER mix Fit Antibacterial Produce Wash with any chlorine source.
